

REPORT SIGHTINGS

The U.S. Department of Agriculture is asking people to be on the lookout for a **wild adult female elk** wearing a **high visibility red collar** around her neck. This animal is part of an observational study at USDA Veterinary Services' wildlife research pens in Fort Collins, CO, and escaped from the facility on February 18.

If you see this animal, or have spotted her at any time, please call 800-451-8297 as soon as possible to report her location.

Please contact 844-820-2234 with questions, but NOT to report a sighting of the animal.
